ACTION FOR

BRAIN INJURY WEEK 2023

15-21 MAY

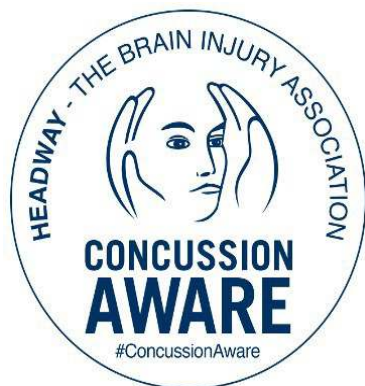

Action for Brain Injury (ABI) Week runs to enable awareness and understanding of brain injury. This will improve the lives of ABI survivors through enhanced support and better social interactions.

By giving ABI survivors a better platform, we are empowering an often disadvantaged group, allowing them to be heard.

Raising awareness of Headway is beneficial for the health of the charity, it means more people use the service and support them too.

Theme: Every 90 seconds

Every 90 seconds someone in the UK is admitted to Hospital with an acquired brain injury.

HULL & EAST RIDING CITIZENS ADVICE

Tel: 01482 226859 for specialist
debt advice.

All other calls should be made
to 03444 111 444 or email

In summary:

Step1 – We capture attention using the 90 second statistic

In the time it has taken you to brush your teeth, another person in the UK has been admitted to Hospital with an acquired brain injury.

Step 2 – We build a connection by referring to the main causes of ABI:

This could be because of stroke, tumour, meningitis, a fall, assault, road traffic accident or another cause.

Step 3 – We build awareness by referring to the work of Headway:

A brain injury can have a devastating and life-long effect on survivors and their families. Headway are here to support them to re-build their lives.

Step 4 – We invite support through an action:

How will you spend the next 90 second? You can support Headway.

By raising awareness of the scale of ABI through the every 90 second statistic we are providing a platform to highlight the vital importance of Headway services and support long-term funding efforts.

Headway would like you to share your videos of brain injury survivors explaining how their brain injury has affected them.

These videos are not just limited to brain injury survivors – carers and family members could also appear in the video answering the same question.

Each video should last 90 seconds. Headway will supply start and end frames, and we will use the hashtags #Every90Seconds #ABIWeek
