# Disabled Peoples Panel Hull

The next meeting of the Disabled People's Panel has been arranged for **Wednesday 22 January 2025** between 11.00am and 1.30pm.

**Guest speaker, Olivia Stevenson (Adult Social Care Project Officer for Healthwatch).** Olivia will be talking about the work that Healthwatch does. She was also involved in the recent inspection of Hull and East Riding's wheelchair services. Additionally in response to recent requests, the panel will discuss the issues around getting accessible housing and the difficulties of priority for wheelchair users on public transport.

## Access Requirements

We aim to meet all access requirements, but this may depend on the amount of notice we are given. The earlier you can tell us your needs, the more likely we will be able to meet them.

We are able to consider assisting with transport costs (e.g. mileage expenses, bus fares, etc), but we will only pay for taxis if you are unable to use public transport. Recruitment of panel members – If you are aware of someone else, who may be interested in joining the panel, please pass this onto them or ask them to contact us. (info below)
