

#LookCloser

Programme of Learning

The
Children's
Society

April - September 2025

We're delighted to invite you to join us for our latest #LookCloser programme of learning. We have developed our sessions based on learning from The Children's Society and wider partners to tackle the issues of child exploitation and abuse.

All sessions are free of charge and delivered on Microsoft Teams Live which means:

- Interaction with the presenters and participants will be limited
- There will however, be a Q&A function
- We will use tools such as Menti to provide opportunities for engagement and discussion.

The timetable below has links to each learning event on EventBrite, where you can book on to as few or as many events as you please. All of our sessions have been designed for various professional audiences, so please share these events with anyone you think would benefit from attending.

If you have any questions about our learning events, please contact prevention@childrenssociety.org.uk

Learning Session Information: These sessions are aimed at upskilling professionals in the topic area and identifying points of reflection for individuals' own practice and to take back to their wider teams and networks. The audience is expected to be varied and therefore the session has been written to engage professionals at different levels of knowledge and seniority and across a range of setting and sectors.

You may want to read some of our [resources](#) prior to attending our sessions in order to get the most out of these, but this is not a requirement.
